THE 300 CLUB

is planned as the primary fundraising program to help support the Grand Master for the 2023 Masonic year and future Grand Masters as well, if they are from Northwest Ohio. Funds raised will be used for district expenses related to Grand Lodge and to help the Grand Master with the costs of special programs and to defray various expenses during his year.

There can only be 300 members of The 300 Club. Provided the

Grand Master for the 2023 year is from the Northwest Ohio, members will have an opportunity to meet to discuss Grand Lodge 2023, contribute to planning, keep informed, see the program develop over time, and be recognized during the Grand Lodge Session.

SPREAD THE CEMENT OF BROTHERLY LOVE

Why do it? To help your district.

To make it a little easier on the men who work every day to promote Freemasonry in the region. The district officers and lodge leaders work very hard to plan and implement Masonic activities each year, and adding the challenge of additional fundraising on top of their daily duties is one burden we can help to minimize by contributing to The 300 Club.

BE EXCEPTIONAL, JOIN 300

Membership in the 300 Club simply requires a \$300 donation.

For those who wish to offer their support but need to spread payments over time, The 300 Club will offer an installment plan.

2023... OUR FUTURE!

In anticipation of this continued honor, The 300 Club was established to manage and raise funds for local expenses connected to hosting Grand Lodge and supporting the expenses related to Masonry for Grand Masters or current and future progressive Grand Lodge Officers from Northwest Ohio, now and well into the future.
